## ***R.E.S.T SYMPOSIUM: RETAINING EMPLOYEES IN THE SKILLED TRADES***

### **To: All RESCON Members,**

**Where:** Hilton Garden Inn Toronto Vaughan – 3201 Highway 7 West, Vaughan, L4K 5X7

**When:** Thursday, May 10, 2018, 8:00 am to Noon

**Who:** This event is open to anyone who is interested in training and apprenticeship in the skilled trades including: all builders, sub-trades, training or supervising staff, and skilled trades workers.

### **Details:**

The focus is on issues related to retention and turnover in the residential construction industry. With an estimated 44,400 retirements in Ontario over the coming decade, RESCON-ORCCA is conducting research to better understand the residential construction labour market. This breakfast seminar will:

1. Introduce the research scope and labour market issues currently facing the industry.
2. Apply a behavioural economic perspective to the issue of retention in construction.
3. Gauge attendees views and sentiments towards recruitment and retention best practices and challenges.

### **Schedule of Day:**
